

2021 年度第 2 回 C I R P の夕べ

●日 時:2022 年 1 月 18 日(火)18 時 00 分-19 時 30 分

●開催方法:ZOOM(オンライン講演会)

●スケジュール

18:00~18:05 一般社団法人 CIRP JAPAN 代表理事挨拶

18:05~18:55 Professor José A. Yagüe-Fabra (University of Zaragoza)
講演題目: Scalability of precision design principles

18:55~19:00 閉会の挨拶

19:00~19:30 懇談会

●講師(Professor José A. Yagüe-Fabra)略歴

- Full Professor. Department of Design and Manufacturing Engineering. Universidad de Zaragoza (Spain)
- Dean of the School of Engineering and Architecture (Escuela de Ingeniería y Arquitectura - EINA). Universidad de Zaragoza (Spain).
- Research work focused on dimensional metrology, precision engineering, quality control, manufacturing optimization and automatization, lean manufacturing, measurement science and technology.
- Member of: Manufacturing Engineering Society (SIF-MES), Aragón Institute of Engineering Research (I3A), European Society for Precision Engineering and Nanotechnology (EUSPEN) and Fellow of the International Academy for Production Engineering (CIRP).
- Associate editor of several journals and member of scientific committees of several international conferences.
- Visiting researcher or lecturer at WZL-RWTH (Germany), TU Graz (Austria), DTU (Denmark), VGU (Vietnam) and UNCC (USA).
